5. Results of Parent Survey Shared	Discussion	Angela Turry	<p>Here's What: Specific facts, data? What stands out? What do we see?</p> <ul style="list-style-type: none"> *As students get older, parents have a better understanding of the Common Core standards *Parents feel well informed and plenty of access to information *Overall the numbers are positive, the top two, strongly agree and agree are higher than we have seen in the past *Classroom teachers keeping parents informed and understanding needs of students were very high *Data shows music program is well accepted * welcoming community and parents feel that students have a place away from home <p>So what?: Conclusions, Why do we think this happened? Interpretations, perspectives</p> <ul style="list-style-type: none"> * Parents feel that their students feel safe at school * Lack of understanding about our School Site Council <p>Now What?: Implications, What are we going to do?</p> <ul style="list-style-type: none"> *Finding ways for Kindergarten parents to feel welcomed and open to volunteering. *Math night idea about communicating with parents about how Math curriculum is being taught - possibly video taping these and posting them so parents could back to refer to those * Communication about what Site Council does and how to get involved * Grade levels possibly having a document that gives information about to parents about how to work through Math curriculum * School garden was an idea in a few comments *Explaining to parents some of the ways Science is embedded into the Reading curriculum.
6. LCAP		Carrie Vincent	<p>Shared Local Control Accountability Plan and Annual Update. LCAP explains how the money is going to be spent to reach those goals. Contents of the LCAP are based on improving student outcomes and eliminating subgroup gaps. Reviewed the goals and work that has been done.</p> <p>Carrie will send more information to Angela for more information about TK</p> <p>Would love to see programs and after school enrichment programs continue.</p>
